AJK College: Providing personalized education

By NIKHIL RAGHAVAN

AJK College of Arts and Science is a new-age educational institution with one fundamental objective: to create and nurture a talent pool of youth through a curriculum design which synthesizes Knowing, Doing and Experiencing methods of personal and educational growth. The College provides a high degree of personalized education and supports the advancement and dissemination of knowledge through teaching, research and scholarly activities.

"The institution, started in 2007 with just 187 students and 6 faculty members, now boasts of around 2,000 students with 85 faculty members offering 20 undergraduate and postgraduate programmes including M.Phil, on a sprawling 25-acre environment-friendly campus on the Coimbatore - Palakkad National

Highway. It has already been accredited by the NAAC," says Ajeet Kumar Lal Mohan, Assistant Prof and Secretary, AJK College of Arts and Science.

Dept of Hotel Management and Catering Science

The basic objective of the B.Sc. Catering Science and Hotel Management (3-year full time) course is to provide competent young men and women with the necessary knowledge, skills, values and attitudes to occupy key operational positions in the hospitality industry. The Program is designed to train students at managerial levels in the principles and practices of Hotel Management, Food Production, Food and Beverage Service, Front Office, Housekeeping, Computers, Financial Management, Tourism and Travel Management, and Nutrition so as to provide qualified and technical personnel for the Hotel,

Catering, Travel and Tourism Industry, Railways, Airlines, Shipping, etc. It is designed in such a way that class room training is reinforced with on-the-job industrial exposure so as to sufficiently hone the skills and techniques learnt. After graduating from Hotel Management one has plenty of options to look for in the following departments: Hotel & Restaurant Management, Hospital Administration and Catering, Airline Catering and Cabin Services, Catering departments of Railways, Banks, Armed Forces, Shipping Companies, etc. Apart from them teaching and self employment are always open to the graduates.
